

The Welcome Swallow Resident Artists' Gallery

August 2022

The Resident Artists' Gallery

The Gallery allocates our street-facing wall space for the *Resident Artists' Gallery* sourced from our most established and successful artists. From time to time and following art works being sold, this collection is refreshed, typically on a monthly basis, whereas the Main Hall of the gallery is used for ongoing exhibitions that last from 6-8 weeks.

The Gallery also uses this space to highlight compositions that have a 'stand-alone' quality and also when artists donate their work to the Gallery. Additionally, some of these paintings can be found throughout the Gallery and Gift shop.

Unlike exhibits in the Main Hall of the Gallery that belong to a curated show, items from the *Resident Artists' Gallery* can be purchased immediately and uplifted by the buyer.
